To Whom It May Concern:

I want to let you know that I oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies. One size doesn't necessarily fit all and I fail to see why it is necessary to restrict our precious freedoms in this manner.

Sincerely yours,

LaRue W. Sanders,
